THOMAS L. ELDER, President.

New York, Aug. 20th, 1932.

NOTICE TO NEW BIDDERS

With this catalogue we send greetings and thanks to all our clients for their patronage. Our last sale contained magnificent coins and those who secured lots doubtless were well pleased.

We have gone over our mailing list and have cut off a great many names, who will not receive further catalogues unless they request them, as we have to curtail printer's bills and save waste of postage. The present sale includes a most interesting variety of proof and uncirculated and fine pieces of all ages and countries, with many interesting Proof Dollars, Half Dollars and minor coins, Ancient and Modern gold coins etc. There are lots for every type of collector, even the stamp collector.

New bidders must read our sale terms and abide by them. They must also bid on the correct lots. Kindly send us a reference if you have not bid before. All lots purchased must be paid for immediately after the sale; no exceptions.

We also solicit consignments. We are old cataloguers with 30 years of experience and can offer your collection in an intelligent manner, so as to bring you the best results. We accept also duplicates for auction sale. Write us about your collection.

Times are picking up with the rising commodity and security markets, which will insure a good business later. Don't sell America short; you will suffer if you do.

Let us have a good line of bids for this sale. In Fall Sales "the early bird catches the worm"; so bid before others do. Write Mr. Elder for estimate on any lot in the Sale.

CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.

MR. ELDER FOR HOOVER

Mr. Elder will vote for Hoover—Hoover is growing stronger all the time—The rantings of demagogues and detractors will not subtract from his stability, dependability; his accomplishments, dignity and ability—He did not cause the depression—He has fought it with determination against great odds—He is winning the fight—Times are improving.

Wall Street and its selfish gamblers are largely to blame—When the depression was at its worst these scoundrels continued to sell their country short—Congress should regulate the exchanges.

Mr. Elder is against bonuses and pensions—By 1943 it is figured our ex-soldiers and their dependents will absorb 42% of the entire national income, adding an intolerable burden to the public—Protest to your law-makers.

THOMAS L. ELDER.
